CONGRESSIONAL CANVASS.

John Manning, Jr., Esq., the Conservative candidate for Congress, Hon. Sion H. Rogers, Hon. A. S. Merrimon and other distinguished Speakers, will address the voters of the 4th Congressional District at the following times and places:

Smithfield	Nov. 19
Nashville, Nash county	" 21
Durham's, Orange county	" 23
Bensfields, Granville county	" 25

TO THE VOTERS OF THE FOURTH CONGRESSIONAL DISTRICT.

FELLOW CITIZENS: A fearful responsibility rests upon us, not only us but our children, and to feel and realize our action on the occasion we are now called upon to act. The victory will be ours if we will but come up to the full measure of our duty as law-loving and law-abiding people.

Tax payers of the 4th Congressional District of North Carolina, it is enough for you to know that Joseph Holden, the Radical nominee for Congress, is fully identified with the notorious W. W. Holden, who has stood by and endorsed the infamous policy of his father and the party generally; he is part and parcel of the party that has trampled the Constitution and laws of the good old State under foot.

Let us rally to the polls on the 28th inst., and rebuke the enemies to law and order as we did on the first Thursday in August last and all will be well with us.—Let our watch word be work, work, for the good of our common county.

INTERESTING CORRESPONDENCE.

The following be supposed to be a copy of a letter to one of our chief State dignitaries - Pilgrim Ashley, in short—from a leading deacon of the Pilgrim's old congregation on the classic waters of Buzzards Bay:

CAPE COD, Nov. 1st, 1870.

MY DEAR BROTHER ASHLEY:—The last sermon I heard you preach before you set out on your Southern pilgrimage, was on the text, "God's judgments are abroad in the land." The defeat of the rebels, you argued, was a visitation of divine judgment on them for their sins, and I, with all your congregation, believed it and said, "Amen!"

Now, my brother, how do you read the defeat of the Republicans in your partially adopted State, in the last August elections? You know the reign of the party had been inaugurated with 20,000 majority in its favor, two years before; and yet it was overthrown last summer—how do you understand that?

I fear the establishment of Republicanism in North Carolina was like unto what the prophet alludes to when he speaks of "the throne of iniquity, where men decree injustice under the semblance of law,"—Yon and Laflin, French, Estes, Davis, Tourgee, Menninger, Heston, Sweet, Littlefield, Brewer, Marilin, with a few such rebels as Holden, Rodman, Barringer, Settle, Caldwell, Dick and Pearson, enfranchised the ignorant slave and disfranchised his intelligent master. To-day, Solomon Bragg, if elected, could take his seat in the United States Congress, but his worthy old master, the ex Governor, could not. You have arrayed one color against the other, for the destruction of both. You have elevated vice and ignorance over virtue and intelligence, and thus committed a sin against God and Nature. Don't you think so, brother Ashley?

As you said in the sermon alluded to, the judgments of God would be visited on all such acts. It is idle in your great disappointment and blind rage, to rave like whipped rebels, and refuse to recognize the hand of God in the punishment you are receiving, and which you attribute to Joe Turner and the Ku Klux, or to the folly of Holden's administration.

Look, my dear brother, at your sins as they are, and humbly kiss the rod you have brought upon your own back. By your sinful discrimination, Clingman, Rodman, and such men of Belial, can hold office, while such men as Bailey and Battle cannot. Such a state of things is a sin that God will surely punish. We have no doubt that your Legislature, when it meets, will be made an instrument of divine Providence to punish your injustice, and convince even Judge Pearson and Governor Holden that they cannot "set up a throne of iniquity and decree injustice under semblance of law."

I firmly believe that the Lord will put it into the hearts of the rebels to impeach many of you, and then to call a Convention, restore the people to their ancient laws and customs, to the utter annihilation of your splendid schemes for aggrandizement and power.

You carpet baggers and Pilgrims have had a good time "down south," but I advise you, now, to return home, for "God's judgments are abroad in the land." A good many of our old friends have already got back, all more or less pleased with their luck, but I fear, from the signs of the times, brother, that carpet bagism has "played out."

Yours in the bonds of an enlightened civilization,

ISRAEL PUTNAM, Deacon.

We suppose the writer did not know that Solomon was dead.—Ed.

RATIFICATION MEETING.

We are requested to announce that there will be a meeting of the citizens of Raleigh, at the Court House, on Saturday night, to ratify the nomination of John Manning, Jr., for Congress. Let us all turn out and have a roaring meeting.

We learn that Judge Fowle and other prominent speakers will address the meeting. Come one, come all, and let us see if we cannot cast the vote of Wake county in favor of peace, law and order, and against military despotism.

BY ORDER OF THE COMMITTEE.

REGULATIONS OF THE ELECTION.—We publish to-day, the official correspondence in regard to the manner of conducting the special election for a member of Congress from this district, on Saturday, 26th inst., to which the attention of voters and especially of Sheriffs of the several counties of the district is invited. We call attention, also, by request, to the fact that voters must vote in their own townships, or if they vote out of their townships, they must exhibit certificates of registration.

PERSONAL.—We had the pleasure on Tuesday last, of forming the acquaintance of William Scott, Esq., of Glasgow, Scotland. The readers of the SENTINEL will remember that we published, last summer, several interesting letters on the resources, climate and future of North Carolina, from the pen of Duncan Stuart, Esq., a prominent citizen of Detroit, Michigan, published in the Hamilton, (Scotland) *Advertiser*, obtained by us through the N. C. Land Company.

These letters were extensively circulated and read throughout that country and awakened much interest in regard to our State in the minds of Mr. Stuart's countrymen. The attention of many of those seeking new homes has, by these letters been turned towards North Carolina, and several families have recently arrived directly from that country and located in this vicinity, and other parts of the State.

Mr. Scott was induced, by the representations of Mr. Stuart, to visit our State with a view to making it his permanent abode, and from an extensive tour through the middle and western part of the State, finds that the statements in Mr. Stuart's letters are not only borne out, but far exceeded by the reality.

Mr. Scott has been engaged for years in the coal and iron business in his native country, and expects to turn his attention to the mineral resources of this State. The N. C. Land Company has been indefatigable in its exertion to induce immigration to our State, and it should be a subject of gratification to all our people when men of standing—representative men, like Mr. Scott, are attracted to our borders.

Mr. Scott has written several letters to the *Advertiser*, published at Hamilton, Scotland, since his sojourn in the State, two of which we have had the pleasure of perusing. We should be glad to lay these letters before our readers, but want of space forbids, at present. They take a comprehensive view of the status of affairs here and give a fair exposition not only of the true state of society, but of the natural resources and capabilities of the State. They are calculated to do us much good abroad, wherever they may be read.

ANOTHER SEAT CONTESTED.—We understand that Dr. J. A. Moore has served notice on Billy Smith that he shall contest his seat in the Senate from Alamance and Guilford, in the General Assembly. Billy, it is said, "charged" and blowed his horn terribly, on receiving the notice.

For the Sentinel.

SMITHFIELD, N. C., Nov. 14, 1870.

To the Editor of the Sentinel:

In sending you this communication, disclaiming any all further participation with the Republican party, I feel that I am doing my duty to the county as a citizen, and also to myself in ceasing to co operate with a party who have acted most unwisely and corruptly. I am satisfied that the people are unable to bear the burdens now imposed on them by that party, and for myself I am determined to aid all in my power, to throw off these burdens. Through bad council and ill advice, I have heretofore identified myself with that party and acted faithfully in their behalf, but found that it is a party wholly in the interest of the office holders, and at no time consulting for the best intercets of the people. I am therefore determined to let the office holders take care of themselves, and I as one of the people am determined to take care of myself. Hoping that this communication may have a good effect on other persons misled as I have been,

I subscribe myself,

Yours very respectfully,

H. E. CULLOM.

For the Sentinel.

BE IT KNOWN!

EDITOR OF THE SENTINEL, SIR: After eight long months of insurrection, turmoil and tyranny, our benevolent Governor, has raised the siege and declared us no longer in rebellion. The war is at an end; civil law is in force; our people feel free.

We desire to ask, is there no redress for our wrongs? Our people have suffered more than is known; they have been trodden down, oppressed, and their civil rights denied them. But, lo! at this late day, when there is no help for it, after our long siege, we are disposed to be quiet! The Democrats are coming in and there is a better time ahead.

Kirk and Bergen in prison and the siege raised; the war over and peace restored! But then, there is another matter to be settled. Several accounts incurred by Holden's troops, to the amount of $300, for property "press'd" without pay or promise—how about that, Governor?

But really, it is amusing to see the backing down of our Radical friends in this county of Alamance. They are well aware of a reckoning ahead; of a new election to be ordered by the Legislature. Mayor Hardin requested the old county officers to come and resume their functions. New things have played out. How about the acts of the new Commissioners, if they were not legal officers—are their orders valid?

Somebody is responsible; how about the marriage licenses if the new Clerk is *not* a Clerk? Our Clerk of the Superior Court says he will hold over in dispite of the Commissioners. The Rads will know their fate when the people have a showing. The Hardins and Albrights—what will become of them? Hardin is our expert at expounding the law.

Yours, ALAMANCE

Graham, N. C., Nov. 14, 1870.

Dr. Dunn is in favor of a homestead for the poor man, indeed the party that he represents is composed mainly of the only men in the State who are interested in a homestead law.

SOLD OUT.—The county authorities of Ashe, sold out their paupers, twenty in number, to the lowest bidder, for six months, on Monday of last week. The sum for which the lot were let out was $677, or at the rate of $67.70 each, *per annum*.

Every man who votes for Jo. W. Holden votes for a man who favored all the extravagant appropriations of the last Legislature.

IT IS UNDERSTOOD in Washington that Senator Williams, of Oregon, will be appointed Attorney General at the close of the Senatorial term in March next, Mr. Akerman retiring on account of ill health.

The total number of students at Yale is seven hundred and fifty-five.

A PROCLAMATION

By His Excellency, the Governor of North-Carolina.

Executive Department,
RALEIGH, Oct. 26, 1870.

WHEREAS, By a Proclamation from this Department, of date October 3rd, 1870, it was announced that a vacancy exists in the House of Representatives of North-Carolina, occasioned by the death of HENDERSON A. HENRY, who was elected at the regular election in August, 1870, as one of the Representatives from the County of Wake; and the Sheriff of Wake County was commanded to open polls and hold an election to fill said vacancy, on Thursday the 10th day of November, 1870:

AND WHEREAS, It will be more convenient and less expensive to the people of Wake County to vote to fill said vacancy on SATURDAY, the 26th day of November next:

Now, therefore, I, W. W. HOLDEN, Governor of the State of North-Carolina, do hereby revoke the command to the Sheriff of Wake County to hold said election on the said 10th day of November, 1870, and do issue this my Proclamation, in accordance with the Constitution and the law, commanding the said Sheriff to open polls and hold an election to fill said vacancy on SATURDAY, the 26th day of November, 1870; said election to be conducted in all respects in accordance with law.

LOST.—A map of the Square known as St. Petersburg, in the eastern ward of the city. The finder will be rewarded by leaving it at the Mayor's office.

Raleigh, Nov. 15, 1870.

NO COURT.—For the past two days the Mayor's Court has been without business. Everybody seems to be in good behavior.

FROST.—The heaviest frost of the season occurred Tuesday night. It was almost a young snow.

THIEVING.—We hear many complaints from our city subscribers about their papers being stolen from their yards. We warn those little boys, who engage in this sort of thing, that if they do not desist, Mayor Harrison will have to attend to them.

The *Standard* wants a "guano committee" appointed by the City Commissioners, to take the Baptist Grove in charge. How would a coroner's inquest answer?

REPUBLICAN RATIFICATION MEETING.—On Tuesday evening last the Republicans of this city, held a meeting in the Court House, to ratify the nomination of Jo. W. Holden for Congress. Though the room was filled with colored people, the following comprises the sum total of the white Republicans present, while we were there: Hawk Rogers, W. D. Jones, S. D. Harrison, C. M. Farris, Jos. Andrews, W. R. Richardson, I. P. Olds, Dr. Banks (Revenue Department), Albert Maguin, Chief of Police Martin, Revenue Supervisor Perry, Henry Miller, Chas. Upchurch (Revenue Department), and Thos. W. Coats.

When we arrived, J. W. Hood, col., was speaking, but he soon concluded and loud calls were made for Joe Holden. Joe not being present, Olds his brother-in-law, thought the honor of the family at stake, so he mounted the rostrum and proceeded to spout.

Mr. Olds, without any reference to facts, stated that all the recent elections had resulted in Republican gains and the Democratic Congressional representation being increased from 67 in the 41st Congress to 108 in the 42nd Congress, amounted in sum and substance to a grand Republican gain. He even had the coolness to allude to the result in North Carolina as flattering to the Republicans. We can only properly comment on the portion of Mr. Olds' remarks which we heard by using the language of Falstaff, "How this world is given to lying."

PERSONAL.—Rev. C. F. Deems, D. D. arrived in the city last night, on his way to Conference at Greensboro, which begins on Wednesday next, 23rd inst. We learn it is in contemplation to get him to deliver a lecture before the Young Men's Christian Association while in the city, or at any rate before he leaves the State.

WHERE, O, WHERE IS IT.—Some two or three months ago, we noticed an allowance by the city Commissioners of "sundry" accounts, to the amount of over fifteen hundred dollars, and have asked again and again, what these "sundry other accounts" were for, but no one answers. The taxpayers of the city desire to know where and for what that money went," but those concerned *dare not* answer. The financial committee reported last week, and they throw no light on the subject. Indeed, one of the committee has confessed that he knew nothing about the report—had never looked into the finances at all. We have had hints as to where that money went, and we expect to find out the facts yet, as reticent as the Board is on the subject.

THAT STOLEN COTTON.—We were a little in error in regard to the facts about the stolen bale of cotton, in yesterday's issue.—Policeman, Robert Crossan, alone, made the arrest, on information received from Dawson Lewis, the drayman, who hauled the cotton, and is said to have acted very correctly in the affair by putting the police on the track to catch the rogue.

Mr. Norris, keeper of the Fair grounds, deserves great credit for his watchfulness and vigilance. He traced up the cotton early in the day. The rogue, Wm. Thrower, was caught at the Depot, with ten dollars of the cotton money and articles bought with the balance of it in his possession.

Remember that the *Standard* says that the election of Jo W. Holden will have a material effect on the price of whisky.

A FAVORABLE NOTORIETY.—The good reputation and extended use of "*Brown's Bronchial Troches*" for Coughs, Colds, and Throat Diseases has caused the Troches to be extensively imitated. Obtain only the genuine "Brown's Bronchial Troches," and do not be influenced by those who make more profit by selling worthless imitations.

A NEW ADVERTISING DODGE.—Every time a lady who uses fragrant *Sozodont* opens her mouth she advertises the article. The state of her teeth is a certificate of its excellence. No spot darkens their surface, no impurity clings to them, the cushions in which they are set are rosy, and the breath that swells through them is sweet as the breeze of June.

Every vote given to Jo W. Holden is a vote for the Holden administration and military rule.

STATE OF NORTH CAROLINA,
EXECUTIVE DEPARTMENT,
Raleigh, November 7th, 1870.

The attention of the Sheriffs of the Counties composing the Fourth Congressional District is called to the following opinion of the Attorney General, in relation to the election on Saturday, the 26th day of November, to fill the vacancy in Congress from the said District:

STATE OF NORTH CAROLINA,
EXECUTIVE DEPARTMENT,
Raleigh, Oct. 31, 1870.

Hon. W. M. SHIPP, *Attorney-General, Raleigh.*

SIR:—There is a vacancy in the representation of the Fourth Congressional District of this State in the Forty-first Congress of the United States by reason of the death of Hon. R. B. Gilliam. In view of this fact I respectfully submit to you the following questions:

1. Who or how I should be officially notified thereof, and if so, by whom?
2. In what way, and by whom shall the election to fill the vacancy be conducted?
3. When and where shall the Sheriff meet to compare the returns?
4. Shall there be another registration, or an addition to the present registration?
5. What notice shall be given of such election?

Very respectfully,
W. W. HOLDEN,
Governor.

STATE OF NORTH CAROLINA,
ATTORNEY GENERAL'S OFFICE,
Raleigh, Oct. 24, 1870.

Gov. W. W. HOLDEN:

In answer to your enquiries, touching the vacancy in this Congressional District, I have the honor to reply: I have examined the statute law relative to the subject, and am of opinion that the provisions of the Revised Code, chapter 69 sections 5, 6, 7 and 8 are in force. I can find no other law touching the subject. I think you have a right to notice the facts of the death of Judge Gilliam, and the consequent vacancy "as of your own knowledge." There are no persons indicated by law to give you such notice. The election is to be held at the usual places, &c., as regular elections. There need be no new registration. Acts of 1868-'69 chap 9, page 45, provide for re-opening books for persons not registered, &c. The votes are to be compared on the first Thursday after the election, and I suppose in this District, at Louisburg, Franklin County.

The notice ought to be reasonable and sufficient to give time for the appointment of judges of election, &c. It will suggest itself to you, that the election ought to be held as late in the week as Thursday at least, to give time for the Sheriffs to meet at the designated point for comparison of votes, &c.

Respectfully,
W. M. SHIPP,
Attorney-General.

Also, the following letter to the Governor from Nathaniel R. Jones, Esq., Sheriff of Warren County:

WARRENTON, N. C., Nov. 2d, 1870.

To His Excellency, Gov. HOLDEN:

GOVERNOR:—I observe in your proclamation ordering an election for a member of Congress, to fill the unexpired term of Hon. John T. Deweese that reference is made to section 8 chapter 69, of the Revised Code, and the Sheriffs of the several Counties of the District are ordered to meet in the town of Louisburg to compare the polls, &c. This has given rise to doubts whether the election is to be held according to the provisions of the Revised Code aforesaid or whether it is to be held and conducted as it was when the late R. B. Gilliam was elected last August, except that the Sheriffs are to meet at Louisburg instead of Raleigh. If the election is to be held according to the Revised Code, the Sheriff and his Deputies will have to receive the vote, and with the poll keepers in the old fashioned way make the returns, but if it is to be held as it was last August the Sheriffs will only have to meet and compare the vote.

You will greatly oblige me by advising me by return mail which is regarded as the "existing law," and in accordance with which law the election is to be held. Our County Commissioners will meet on Monday next, and it is desirable to know how the election is to be held by that time.

I have the honor to be, very respectfully, your obedient servant,

NATHANIEL R. JONES,
Sheriff.

The following sections of Chapter 69, Revised Code, referred to by the Attorney-General, are published for information:

5. If at any time, after the expiration of any Congress and before another election for it at any time after any election, there shall be a vacancy in the Representation in Congress, the Governor shall issue a writ of election, and by proclamation shall require the voters to meet in their respective Counties, at such time as may be appointed therein, and at the places established by law, then and there to vote for a Representative in Congress to fill the vacancy, and the election shall be conducted in like manner as regular elections.

6. The polls of election shall be ascertained by the inspectors, or other persons holding the election, and the returns thereof shall be made to the Sheriff, or other returning officer, in like manner, time, and place, and under the same penalties for collusion, recoverable in like manner and for like uses, as in elections for members of the General Assembly.

7. The returning officer, upon receiving the returns, shall, at the Court House, in the presence of a majority of such inspectors as may have carried the polls, cast up the votes and make two correct statements of the number of suffrages given at such election for each candidate; one of which being duly certified by him, shall, with the poll books, be filed by the inspectors in the office of the Court of Pleas and Quarter-Sessions of the County, [office of the County Commissioners,] and the other shall be retained by the Sheriff or other returning officer, with whom he shall attend on the day and at the places mentioned in the next section.

8. The Sheriffs, or other returning officers of the Counties of each district, shall meet on the Thursday next after each election, at the following places in the several districts, for the purpose of comparing the polls, namely: In the first District, at the Court House in the County of Bertie; in the second District, at the town of Newbern, in the County of Craven; in the third District, at the Court House in the County of Chatham; in the fourth District, at Louisburg, in the County of Franklin; in the fifth District, at the town of Graham, in the County of Alamance; in the sixth District, at the Court House in the County of Yadkin; in the seventh District, at the town of Charlotte, in the County of Mecklenburg; and in the eight District, at the town of Asheville, in the County of Buncombe. Provided always that if any accident may prevent any returning officer from meeting on the day aforesaid, the returns shall be received on the day following; and the returning officer, failing to attend as required at the time and place above mentioned, shall forfeit and pay one thousand dollars, to be recovered for the use of the state, in any Court of law. And when the returning officers shall be convened, the poll for the several Counties shall be examined and compared by them, in the presence of three justices of the peace, summoned by the returning officer of the County where they shall meet; and a certificate under the hands of said returning officers shall be given to the candidate, for whom the greatest number of votes shall have been given in said district. But if two or more candidates shall have an equal number of votes, the returning officers shall determine which of them shall be the representative; and if no decision is by them made, they shall determine the same by drawing, in like manner as the grand jury is drawn.

The Attorney General has decided that these sections are in force, and that there is "no other law touching the subject" of this vacancy. The sheriffs will, therefore, strictly observe the provisions of the foregoing sections of Chapter 69, Revised Code.

The County Commissioners in pursuance of the act providing for the registration of voters, ratified 24th day of August, 1868, will appoint one Justice of the Peace and two electors in each precinct as judges or inspectors of elections, and the voters will assemble and vote under existing laws passed in pursuance of the present Constitution, at the respective places of voting in the Townships of the Counties composing the District.

The act of 1868-'69, Chapter 24, page 45, entitled "An act to provide for the registration of voters in all special elections in this State," referred to by the Attorney General, will govern all concerned as to the registration of voters.

W. W. HOLDEN,
Governor.

SO STRONG is the feeling of bitterness in France against the Prussians that it is doubtful if a man's life would be safe, over three fourths of the country, who should counsel peace.

Paris before the siege had an estimated population of 2,000,000. Of this number 700,000 are supposed to have left the city. To offset these figures, about 330,000 people, including soldiers from the provinces and persons driven in from the suburbs, have entered the city. This leaves 1,430,000 souls in Paris, of whom 400,000 are troops under arms, 100,000 troops not under arms, and 60,000 uniformed boys not under arms. And to feed this immense number of people is now the problem of the authorities.

A FATAL MISTAKE.—We are grieved to learn of a painful accident that occurred at a place about 8 miles north of Whiteville, on last Friday night, by which a very worthy gentleman was accidentally shot and killed by his son. The circumstances are briefly these: At about 1 o'clock of the night above mentioned, Mr. R. H. Brown, the principal of a school near Whiteville, hearing a noise among the fowls in an outhouse, called to his son, T. M. Brown, a lad about 19 years of age, to get his gun and go out there as he thought that an owl had got after the chickens. At the same time, and without the young man's knowledge, Mr. Brown himself went out to the fowl house and began feeling there for the owl. The lad approached and seeing an object moving there, fired his gun, the entire load of which entered Mr. Brown's left shoulder, killing him almost instantly.

The sad event has cast a gloom over the entire community among whom the deceased was highly esteemed, as an honest, upright gentleman. The young man himself is plunged in the deepest grief and fears are entertained that his reason may succumb. Altogether it is one of the saddest events that we have ever been called upon to record.—*Wilmington Journal.*

THE CONTESTED SEAT IN GRANVILLE.—A friend writes us that our old friend, Kildee Lassiter, of Granville, is still engaged in asking questions by the thousand, of witnesses in the contested Senatorship case between him and Col. Edwards. But our correspondent thinks the Kildee is getting short winded; the matter is not taking a turn to please him, and that enough has already been elicited in the examination to establish the claim of both Col. Edwards and Mr. Bradsher to their seats. If this be so, then Mr. Lassiter can retire "with his usual dignity," procure a pack of seed peas and try experiments in artificial sprouting, on that celebrated Kildee farm of his.

The County Commissioners of Rutherford County, as we see from the *Vindicator*, following the example of those of several other counties, have voluntarily reduced their own *per diem* to $2 per day. A significant fact connected with this matter is, that all these reductions have been made by the newly elected Conservative Boards, and not one, so far as we have seen, by a Radical Board.

Jo W. Holden, following the footsteps of his father, was a secessionist from the first, till he got tired of it at Roanoke Island.

Mr. Samuel F. Phillips said this was a white man's government, and that every office in the country, from constable to President, must be filled by white men.

The elections being at an end, extensive decapitations are impending in the Brooklyn Navy yard.

One of the sons of the Duke of Argyll, whose oldest son, the Marquis of Lorne, is about to marry the Princess Louise of England, is in business as a wine merchant, the Duke having "set him up" some time ago.

Dr. Lilienthal, rabbi of Cincinnati, has lately received two lady converts to Judaism, one a married lady of Dayton, Ohio, and the other a young lady from New Orleans.

NEW YORK.

NEW YORK, Nov. 16.—The Telegram has a special from London stating that vessels of war have been recalled from every foreign station, except such as are absolutely needed in foreign waters. The concentration of ships at Portsmouth is already apparent, and the greatest activity prevails in the English naval depots. A powerful fleet will be immediately dispatched to the Mediterranean. The best informed circle think that the pretensions of Russia will render a general European war inevitable.

It is believed that Russia and Prussia are in close alliance against the rest of Europe.

FOREIGN.

BRUSSELS, Nov. 16.—The *Independence Belge* has a telegram, dated Vienna, Nov. 15th, announcing that England, Austria, Turkey and Italy have agreed to preserve a common attitude toward Russia. The threatening attitude of Russia causes a panic in money circles here.

FLORENCE, Nov. 16.—Russia's repudiation of the Paris treaty causes intense anxiety here.

LONDON, Nov. 16.—Stocks and securities are all lower and the week is to close in view of the crisis in the Eastern question.

There is uneasiness in all circles. The *Times* has a special from Vienna this morning, confirming the accounts already received of the excitement there, owing to the attitude of Russia. The report of an alliance between England, Austria, Italy and Turkey is debated on all sides.

The *Times* editorially alludes to Gortschakoff's circular with disgust and indignation.

A dispatch from Versailles last evening reports everything quiet on the Loire and before Paris. The Prussian army of the North has occupied Chauny, in the Department of Aisne, and from this point they threaten Cambrai, Bourg, Laferé and other fortified places in the neighborhood.

The *Times* this afternoon has a Berlin special, saying that the French movement towards Chartres is apparently intended as preliminary to an attack on the western flank of the German army now investing Paris. The French are treating Captain of merchant vessels, which they capture, as prisoners of war. Bismarck demands their surrender and threatens retaliation upon an equal number of French notables.

2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,000,000 and steadily growing larger.

6. Such payments are made in cash, and not partly in cancelled notes as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Equitable has made more progress since its organization than any other Life Company in the world.
13. Its risks have been so carefully selected and its dealings so equitable that it has never been obliged to contest the payment of a claim at law.
14. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,031,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy holders.
20. It is as liberal in the conduct of its business as is consistent with safety to its assured, and does not entertain proper caution to an ambition to increase to the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its GROSS business for last year, being nearly $13,000,000 greater than any other company.

A PROCLAMATION
By His Excellency the Governor of North-Carolina!

EXECUTIVE DEPARTMENT,
RALEIGH, November 10th, 1870.

BE IT KNOWN, That the proclamation issued from this Department, dated March 7th, 1870, declaring the County of Alamance in a state of insurrection, and the proclamation issued from this Department, dated July 8th, 1870, declaring the County of Caswell in a state of insurrection, are hereby revoked, and it is hereby declared that said proclamations shall no have further force or effect.

I take this occasion as Chief Magistrate of North-Carolina to express my gratification at the peace and good order now prevailing in the Counties of Alamance and Caswell, and generally throughout the State. I trust that peace and good order may continue; that partizan rancor and bitterness may cease; that our people of all classes and conditions may cultivate harmony and good will among themselves; and that the whole people of the State, without respect to party, may unite fraternally and cordially to build up North-Carolina, and to elevate her to the proud eminence which she once occupied as a member of the American Union.

and nearly doubled its immense Capital of $1,000 000 in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and unobjectionable to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividens annually after the first annual premium paid. Assetts exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Definite surrender values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of several *hundred* policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Fictitious Dividends* are not declared, but Dividends are given from the actual surplus, in accordance with the Company's Charter. The attension of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,* upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
